## SCRIPT 2: Locker scene with Archie & Steph

Activity: Dissect what is fact or fiction then re-write and act out as an ideal response.

ARCHIE

Steph, have you seen Blessing?

STEPHANIE

No. Why is everyone so worried about Blessing all the time?

ARCHIE

She was supposed to meet me

STEPHANIE

Well you're better off anyway.

ARCHIE

What's going on?

STEPHANIE

Look there are things you don't know about her.

ARCHIE

I guess that's why we have our brains on the inside so we can keep shit private if we want.

STEPHANIE

Well if you knew then you wouldn't say that. There are things.

ARCHIE

What things?

STEPHANIE

She's sick.

ARCHIE

Yeah I know, she's got a nice swagger as well.

STEPHANIE

Not sick like that, I mean really sick.

ARCHIE

You what?

STEPHANIE

She's got AIDS.

ARCHIE

No she hasn't.

STEPHANIE

Yes she has. I wouldn't lie about that.

ARCHIE

She's not got AIDS, she's HIV positive.

STEPHANIE

Great, she goes and gets AIDS and everyone still fancies her.

## SCRIPT 2: LOCKER SCENE

ARCHIE

She's not got fucking AIDS alright and so what if she did? Anyway it's her private business.

STEPHANIE

ARCHIE

So what?

STEPHANIE

Oh my God, You might have caught something.

ARCHIE

Haven't you heard of condoms, oh no you haven't have you, that's why you've got a fucking baby.

Who else have you told?

STEPHANIE

Candy

ARCHIE

Candy. Do you realise what you've done? You're supposed to be her friend Steph.
